

“Save Our Water” Daily Water Saving Tip Widget

Below is a fun widget that you can add to your Web site to give your visitors a new “Water Saving Tip” every day! The corresponding code can be directly put into your site. Your IT/Technical Staff should be able use this code but if you have any questions please contact ACWA’s Outreach Specialist, Ellen Manolis at ellenm@acwa.com or 916-441-4545.

```
<iframe name="wuiw-water-saving-tips"
src="http://www.saveourh2o.org/widget/widget.ph
p" width="154" height="304" scrolling="no"
frameborder="0" >Visit saveourh2o.org for water-
saving tips!</iframe>
